

The Michigan Amputee Golf Association cordially invites you to participate in the JOHN S. CARTON "CHALLENGE 100" CHARITY GOLF CLASSIC at Beacon Hill Golf Club, 6011 Majestic Oaks Drive, Commerce Township, MI 48382, on *Friday, August 16, 2019*. Your support is very much appreciated.

This day of golf and fellowship includes lunch buffet (11am), golf cart, a five-person scramble event (12:00 shotgun), prizes, and dinner buffet. An entry fee of \$100 per person (minimum suggested donation) is 85% tax deductible.

Funds collected from this event will be used to meet the established goal of the M.A.G.A. to encourage others to focus on the challenge presented by the loss of an arm or leg rather than on the problem itself. Golf provides this challenge both through physical as well as psychological means. We should reach out to new amputees and assist each one of them to develop attitudes of self-sufficiency and faith in his or her abilities. The future growth and success of our association's goals are a responsibility the M.A.G.A. takes very seriously.

We request your support by asking you to enter a full team of four from your club or group. However, partial teams and individual entries are most welcome and will be paired with others to make a complete team. The fifth player of each team will be an amputee either of your choice (include name on entry) or someone assigned.

Please return the entry below no later than *Friday, August 9, 2019* to help us plan and prepare.

Make checks payable to: M.A.G.A.

Mail entry to: Dick Jeremias, 20200 Maxine, St. Clair Shores, MI 48080

email: [miamputeegolf@aol.com](mailto:miamputeegolf@aol.com) Phone: 586-777-5451
